All proceeds benefit **Homes For Our Troops** and their continual mission to provide mortgage-free, specially adapted homes nationwide for severely injured Veterans Post-9/11 and to enable them to rebuild their lives. This event will specifically support the build for Army SGT Ret. Michael Gower and his family. During a deployment in Baghdad, a vehicle SGT Gower was in rolled over a two-ton, subsurface IED. As a result of the blast, SGT Gower critically injured his back, fractured both feet, tibia and fibular and sustained a severe traumatic brain injury (TBI). HFOT is currently working on a new, mortgage-free home for the Gower family in Middleville, MI.
